Dear City of Detroit Police and Fire Fighter Retirees:

The Retired Detroit Police and Fire Fighters Association ("RDPFFA") is writing to you in connection with the Plan of Adjustment as amended and filed by the City of Detroit on April 26, 2014 (the Plan). The Board of Directors of the RDPFFA unanimously recommends that you vote in favor of the Plan on the ballots that you are receiving along with this letter.

This recommendation comes after the RDPFFA took a leadership role in negotiations with the City regarding pension and other post-employment benefit (primarily health care) ("OPEB") treatment of the claims of police and fire fighter retirees. Specifically, those long and hard-fought negotiations resulted in the RDPFFA Board of Directors voting to unanimously approve an agreement in principal with the City on April 15, 2014. On April 25, 2014 the material terms of that agreement were incorporated into an executed Term Sheet. Those terms have now been included in the Plan.

Under the current financial conditions of the City of Detroit and with the limited revenue income streams that are currently available to the City, the results contained within the executed Term Sheet are the best protection of our pension and other benefits that could be obtained. The treatment of police and fire fighter retirees has improved significantly since the onset of the bankruptcy and is materially better if classes 10 and 11 approve the Plan.

Sincerely,

Donald Taylor

President RDPFFA

May 5, 2014

Dear City of Detroit General Retirees:

The board of directors for the Detroit Retired City Employees Association ("DRCEA") writes to recommend you vote YES in favor of the Fourth Amended Plan of Adjustment filed by the City of Detroit on or about May 5, 2014 (the "Plan").

The DRCEA believes that the Plan treatment (Alternative A) of your pension and other post employment benefit ("OPEB") claims (health care and death benefit) is in your best interest. This recommendation does not mean that the DRCEA thinks the Plan is perfect, it is not. We recognize that the Plan includes sacrifices from retirees. However, the DRCEA wants to inform you that the Plan has been improved from the City's original proposal.

The following chart provides a summary view of the Plan treatment if approved by retirees and State, Foundation and DIA contributions are made (Plan Alternative A) and the Plan treatment if rejected by either Class 10 or 11 (Plan Alternative B).

Treatment Subject	Plan Alternative A (Settlement) Classes 10 & 11 Vote Yes	Plan Alternative B (Cram Down) Class 10 or 11 Vote No
Pension Reduction	4.5%	27% (or more)
Annuity Savings Fund Recoupment Amount	Capped at 20% of highest balance between 2003-2013	Capped at 20% of highest balance between 2003-2013

Maximum Reduction to Current Pension Check	20% (Including Straight Cut and ASF Recoupment)	Up to 100% (Including Straight Cut and ASF Recoupment)
Cost of Living Allowance (COLA)	No COLA	No COLA

Restoration of Benefits	Pension Reductions Could be Restored	Pension Reductions Could be Restored
Order of Restoration	(1) 4.5% Cut; (2) COLA; (3) ASF recoupment	(1) 27% Cut; (2) COLA; (3) ASF recoupment
Governance	Retiree Representation	Retiree Representation
Death Benefit	One time election to receive lump sum payment of funded portion of death benefit	Unknown
Health Care	Voluntary Employee Benefits Association (VEBA)	Voluntary Employee Benefits Association (VEBA)
	General Retiree Specific VEBA	General Retiree Specific VEBA
	General Retiree Representation on VEBA Board	General Retiree Representation on VEBA Board
	DRCEA involvement with establishing criteria for additional (limited) catastrophic illness aid	Unknown
	General Retiree VEBA to be funded by the City approximately \$218 million	General Retiree VEBA to be funded by the City approximately \$218 million

The DRCEA believes that the chart above shows that Plan Alternative A is a better result for retirees than the consequences of a cram down.

There is no doubt that some will criticize the recommendation, but we believe it truly is in the best interest of general retirees, especially in the context of a chapter 9 bankruptcy. We recommend you vote YES in support of the Plan.

Sincerely,

Shirley V. Lightsey,

President of the DRCEA

**NOTICE REGARDING PROPOSED CHANGES TO
POST-EMPLOYMENT HEALTHCARE BENEFITS
IN THE CITY'S PLAN OF ADJUSTMENT**

Introduction

This Notice gives retirees or surviving beneficiaries who are currently receiving non-pension post-employment healthcare and other welfare benefits from the City of Detroit a short summary as to how the City's proposed plan of adjustment (the "**Plan**") and the restructuring described in the Plan will affect your future retiree health and death benefits.

This Notice provides you with:

- background information about the process for approval of the Plan by the Bankruptcy Court, and
- details about how the proposed Plan will impact your benefits.¹

¹ **Notice for Employees and Retirees of the Detroit Public Library.**

This Notice and the accompanying Ballot relate to the modification of the City's obligations for OPEB Benefits for those who participate in the City's

IF APPROVED BY THE BANKRUPTCY COURT, THE CITY'S PLAN OF ADJUSTMENT WILL REDUCE YOUR RETIREE HEALTH AND RETIREE DEATH BENEFITS. YOU CAN VOTE FOR OR AGAINST THE PLAN, BUT YOU CANNOT AVOID A REDUCTION IN YOUR RETIREE HEALTH BENEFITS OR RETIREE DEATH BENEFITS BY REFUSING TO VOTE ON THE PLAN.

YOUR VOTE MATTERS.

PLEASE READ THIS ENTIRE NOTICE CAREFULLY. DETAILS OF HOW TO OBTAIN ADDITIONAL INFORMATION REGARDING THE CONTENTS OF THIS NOTICE ARE PROVIDED BELOW.

(continued...)

retiree healthcare plans and programs. To any extent the City has any obligations to the Library's current or former employees by virtue of their participation in the City's OPEB plans or programs, the City believes that the City's obligations may be modified in the City's bankruptcy case. Therefore, you are being provided with this Notice and the related Ballot. The Library's obligations to current and former employees for pension and OPEB Benefits are separate from any obligation the City may have, however. Your vote on the City's Plan affects only any obligation the City may have and does not change the Library's obligations for OPEB Benefits.

***BACKGROUND REGARDING
DETROIT'S RETIREE HEALTHCARE OBLIGATIONS***

The City provides to its retirees, and their spouses and dependents, health insurance (including dental and vision benefits) and retiree death benefits – these are known in the Plan as "**OPEB**" (Other Post-Employment Benefits). The healthcare, dental and vision benefits are completely unfunded. This means the City has not set aside money to pay these benefits. In the case of death benefits, the City provides a lump sum benefit upon the death of an employee and certain retirees who make voluntary contributions to fund this benefit. The City has established a trust account into which contributions made by retirees, employees and the City have been deposited. This account has enough money to provide approximately 96% of the expected death benefits. Therefore, this account is underfunded.

Historically, the City has paid the cost of annual retiree health, dental and vision insurance benefits or stipends on a "pay-as-you-go" basis from its General Fund. The cost to provide retiree health, dental and vision insurance to retirees during the course of their retirement and the underfunding associated with the death benefit trust account are also debts of the City. Those debts also create a claim in the bankruptcy. This is called the "**OPEB Claim**" in the Plan. The City proposes to turn over the responsibility of providing OPEB benefits to new entities in the Plan and to contribute to those new entities only a fixed sum for future retiree health, dental and vision benefits rather than the full cost of those benefits.

If, as of March 1, 2014, you were a retiree, or surviving beneficiary of a retiree, and you are receiving, or entitled to receive, health insurance (including dental and vision benefits) and/or you are covered by the death benefit program so that your survivors are eligible for death benefits from the City, you have an OPEB Claim in the bankruptcy. Active employees do not have an OPEB Claim. As a holder of an OPEB Claim as of March 1, 2014, you have a right to vote on how the City proposes to reduce and restructure your retiree health and retiree death benefits and the other terms of the Plan.

BACKGROUND REGARDING
DETROIT'S PLAN FOR THE ADJUSTMENT OF ITS DEBTS

The Plan and Disclosure Statement

On May 5, 2014, the City of Detroit filed the Plan. The Plan is a legal document that contains the terms of the City's proposed restructuring. Among other things, the Plan proposes to restructure OPEB benefits.

Along with the Plan, the City also filed a document called the "Fourth Amended Disclosure Statement with Respect to Fourth Amended Plan for the Adjustment of Debts of the City of Detroit." That document is referred to as the "**Disclosure Statement.**" The Disclosure Statement provides more detailed information on various aspects of the proposed Plan and the City's bankruptcy case including, among other things:

- the circumstances leading up to the City filing for bankruptcy;
- key events during the bankruptcy case;
- a description of how the Plan will restructure the City's debts for different types of creditors, including retirees and active or former City employees, by reducing or changing the amounts it will pay and the timing and terms of repayment;
- how the City proposes to implement the Plan;
- the legal effects of approval of the Plan by the Bankruptcy Court;
- instructions regarding voting on the Plan; and
- risk factors associated with the Plan.

Classification of OPEB Claims in the Plan

Under the Plan, claims against the City are divided into different classes. Claims related to retiree healthcare and death benefits – OPEB Claims – are in Class 12.

OPEB (Retiree Health (Including Vision and Dental) and Death Benefits)

If you are a retiree or a surviving beneficiary and are receiving retiree health benefits, or are entitled to retiree death benefits from the City, you are a holder of what the Plan calls an "OPEB Claim," and it is included in Class 12 of the Plan. As a holder of an OPEB Claim, you are entitled to vote on the Plan. The City generally requires that, to be eligible for retiree health benefits, a retiree must be receiving monthly pension payments from GRS or PFRS. Therefore, most people who hold an OPEB Claim also hold either a GRS pension claim in Class 11 or a PFRS pension claim in Class 10.

The estimated amount of all OPEB Claims for purposes of voting on the Plan is \$4,095,000,000. This amount represents the estimated present value of the cost of the City's future obligations, as of June 30, 2013, for the City to continue to provide retiree health benefits (including dental and vision) and death benefits into the future under the programs that were in effect at the time the City filed its chapter 9 petition. If you are the holder of an OPEB Claim, the estimated value of your OPEB Claim is equal to your share of this \$4,095,000,000 and is stated on the Ballot that you received with this Notice. Your share is calculated based in part on your age and life expectancy, and also on the projected cost of future health care. The claim amount stated on your Ballot is the estimated amount of your OPEB Claim **only for purposes of voting** on the Plan. It is not the value of your OPEB benefits, and it is not a promise by the City to pay that amount under the Plan.

If you have both a Pension Claim and an OPEB Claim, you will get a separate Ballot for each claim. You will also get a different Notice in addition to this Notice.

The Solicitation Package and Voting

On May 5, 2014, the Bankruptcy Court authorized the City to distribute the Plan and Disclosure Statement to its creditors and to solicit their votes to accept or reject the Plan. The Bankruptcy Court also authorized the City to send a paper copy of this Notice to you and others who receive pensions or retiree health or death benefits. This Notice and the other documents are intended to provide you with information on how the terms of the Plan will affect your benefits in the future. The accompanying Ballot is intended to allow you to cast your vote to accept or reject the Plan.

Your vote for or against the Plan will be counted and reported to the Bankruptcy Court and included in (i) the total number of votes cast for or against the Plan in your class and (ii) the total amount of claims voting either for or against the Plan. **Your vote matters. You cannot avoid a modification in your OPEB benefits by refusing to vote.**

If you would like to receive a paper copy of the Plan and the Disclosure Statement, you may obtain one, free of charge, by:

- calling the City's toll-free restructuring hotline at (877) 298-6236;
- visiting the City's restructuring website at *www.kccllc.net/detroit*; or
- writing to the City's claims and noticing agent at the following address:

City of Detroit c/o Kurtzman Carson Consultants LLC
2335 Alaska Avenue
El Segundo, CA 90245

The package containing this Notice should also contain the following materials:

1. A cover letter describing: (a) the materials you received along with this Notice; (b) the contents of the enclosed CD-ROM and instructions with respect to its use; and (c) information about how to obtain, at no charge, paper copies of any materials provided on the CD-ROM.
2. A paper copy of the notice of the hearing before the Bankruptcy Court to consider whether to confirm – i.e., approve – the City's Plan (the "**Confirmation Hearing Notice**").

3. A CD-ROM containing the Plan and Disclosure Statement and exhibits to them that have been filed as of the date of this mailing (all of which are also available at no charge via the internet at <http://www.kccllc.net/detroit>).
4. A letter from the City recommending that you vote to accept the Plan.
5. A letter from the Retired Detroit Police and Fire Fighters Association and possibly other parties.
6. A Ballot for your OPEB Claim with instructions on how to complete the Ballot and a Ballot return envelope. Your Ballot also contains information necessary for you to either accept or reject the Plan and its proposed treatment of your OPEB Claim in Class 12.

Please read the instructions, and complete and return the Ballot early enough so that it will be actually received by the Balloting Agent in California by no later than July 11, 2014. Note that it may take several days from the date on which you mail your Ballot for the Ballot to reach the Balloting Agent in California. Ballots that are faxed or emailed will not be accepted.

***HOW THE PLAN TO ADJUST DETROIT'S DEBTS
AFFECTS YOUR FUTURE OPEB (RETIREE HEALTH, DENTAL, VISION
& DEATH BENEFITS)***

Under the Plan, the City will no longer sponsor and maintain retiree health or death benefits programs for existing retirees, surviving beneficiaries and their dependents. Instead, the City will establish two voluntary employees' beneficiary association trusts (known as a "VEBA") – one for PFRS-related retirees and one for GRS-related retirees. The two VEBAs will be responsible for providing retiree health benefits beginning January 1, 2015 to existing retirees, surviving beneficiaries and their eligible dependents.

Detroit General VEBA for General City Retirees

Under the Plan, the City will establish the Detroit General VEBA to provide health benefits to Detroit's non-police and non-fire retirees, surviving spouses and their eligible dependents. The Detroit General VEBA will be governed by a board of trustees that will be responsible for, among other things, management of property held by the Detroit General VEBA, administration of the Detroit General VEBA and determination of the level of and distribution of benefits to Detroit General VEBA beneficiaries. The board will be comprised of retiree representatives and independent professionals, and the composition of the initial board will be approved by the Bankruptcy Court. The Detroit Retired City Employees Association and the Retiree Committee will each be able to appoint Detroit General VEBA board members in equal numbers, and such appointees will constitute a majority of the Detroit General VEBA board; the City will appoint the remaining members. The board will have the authority to determine who is eligible to receive retiree health benefits from the VEBA, and the annual level, design and cost of such benefits.

Under the Plan, the City will provide the Detroit General VEBA with \$218 million in principal amount of a note to be issued to non-pension unsecured creditors. If the City does not make the payments under the note, the persons who operate and manage the Detroit General VEBA will have the right to sue the City for payment. The Detroit General VEBA trustees may also, in their discretion, seek to "sell" or monetize the note in the market to generate more up-front cash for the Detroit General VEBA.

How much the Detroit General VEBA trustees may spend on retiree healthcare in any particular year is unknown at this time. It is also unknown how long the

money in the Detroit General VEBA trust will last because that will depend upon the benefits to be provided. It is likely, however, that the amount of the note to be provided to the Detroit General VEBA by the City under the Plan in satisfaction of the OPEB Claim will not be enough to provide the same level of benefits over the long term as the City began providing to retirees and surviving beneficiaries in March 2014.

Further, the value of the healthcare that may be provided to retirees by the Detroit General VEBA trust or (any other trust that may be created) is subject to various factors, including but not limited to: whether or not a retiree is eligible for Medicare (generally 65 or older) or Medicaid (depending on income level and state residency); costs of future premiums, co-pays and deductibles; whether the Affordable Care Act continues in effect, and if so, in what form; and whether tax credits that currently exist to reduce healthcare costs to low-to-middle income persons continue.

If the Plan is approved by the Bankruptcy Court, regardless of your vote on the Plan, the new Detroit General VEBA board of trustees will make the determination of what level and form of healthcare benefits will be provided to current retirees based on the amount of money available to the Detroit General VEBA trust under the Plan and the exercise of their reasonable discretion.

Detroit Police and Fire VEBA

Under the Plan, the City will establish the Detroit Police and Fire VEBA to provide health benefits to retired employees of the Detroit Police Department and the Detroit Fire Department who do not participate in (or have the right to participate in) the GRS and their surviving beneficiaries and eligible dependents. The Detroit Police and Fire VEBA will be governed by a board of trustees that will be responsible for, among other things, management of property held by the Detroit Police and Fire VEBA, administration of the Detroit Police and Fire VEBA and determination of the level of and distribution of benefits to Detroit Police and Fire VEBA beneficiaries. The board will be comprised of retiree representatives and independent professionals, and the composition of the initial board will be approved by the Bankruptcy Court. The board members will be appointed by the City, the Retiree Committee and the Retired Detroit Police and Fire Fighters Association. The board will have the authority to determine who is eligible to receive retiree health or other welfare benefits, including death benefits, from the VEBA, and the annual level, design and cost of such benefits.

Under the Plan, the City will provide the Detroit Police and Fire VEBA with \$232 million in principal amount of a note to be issued to non-pension unsecured creditors. If the City does not make the payments under the note, the persons who operate and manage the Detroit Police and Fire VEBA will have the right to sue the City for payment. The Detroit Police and Fire VEBA trustees may also, in their discretion, seek to "sell" or monetize the note in the market to generate more up-front cash for the Detroit Police and Fire VEBA.

How much the Detroit Police and Fire VEBA trustees may spend on retiree healthcare benefits in any particular year is unknown at this time. It is also unknown how long the money in the Detroit Police and Fire VEBA trust will last because that will depend upon the benefits to be provided. It is likely, however, that the amount of the note to be provided to the Detroit Police and Fire VEBA by the City under the Plan in satisfaction of the OPEB Claim will not be enough to provide the same level of benefits over the long term as the City began providing to retirees and surviving beneficiaries in March 2014.

Further, the value of the healthcare that may be provided to retirees by the Detroit Police and Fire VEBA trust or (any other trust that may be created) is subject to various factors, including but not limited to: whether or not a retiree is eligible for Medicare (generally 65 or older) or Medicaid (depending on income level and state residency); costs of future premiums, co-pays and deductibles; whether the Affordable Care Act continues in effect, and if so, in what form; and whether tax credits that currently exist to reduce healthcare costs to low-to-middle income persons continue.

If the Plan is approved by the Bankruptcy Court, regardless of your vote on the Plan, the new Detroit Police and Fire VEBA board of trustees will make the determination of what level and form of healthcare benefits will be provided to current retirees based on the amount of money available to the Detroit Police and Fire VEBA trust under the Plan and the exercise of their reasonable discretion.

Death Benefits

The City provides the death benefit program through a separate trust fund. The death benefit trust fund will not be merged into or operated by either the Detroit General VEBA or the Detroit Police and Fire VEBA. Instead, the death benefit trust will be frozen, and the City will no longer have an obligation to continue to fund death benefits under the trust for any participant or beneficiary. The trust will be self-liquidating, and existing retirees who participate in the trust will be granted

a one-time opportunity to receive a lump sum distribution of the present value of their actuarially determined death benefit to the extent of the trust funding. The trustees of the death benefit trust will continue to manage the trust assets and employ the staff of the Retirement Systems to administer the timely disbursement of benefits. The costs of administration will be borne by the assets of the trust.

Active employees as of March 1, 2014 do not have an OPEB Claim. Future OPEB benefits, if any, for active employees will be subject to the terms of future contracts between the City and its active employees.

PLAN RELEASES

If the Plan is confirmed, it will be binding on you. You will have no right to demand that the City pay you the full original amounts it owed for your OPEB benefits. You will only have the right to your modified OPEB benefits under the Plan.

Comprehensive State Release

In addition to protection from further claims against the City that is a standard part of any plan of adjustment, the Plan also proposes to grant to the State of Michigan, its officials and certain other related parties a comprehensive release of any obligation they might have with respect to your pension claim and other claims against the City. Specifically, this release would release all claims and liabilities arising from or related to the City, the chapter 9 case (including the authorization given to file the chapter 9 case), the Plan and exhibits thereto, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, § 24 of the Michigan Constitution. This is called the "**Comprehensive State Release.**" The Bankruptcy Court will have to approve this Comprehensive State Release, and it may not do so. If the Comprehensive State Release is approved, **you will not be allowed to sue the State, the City or any State entities to restore OPEB benefit modifications, even if you vote to reject the Plan.**

Release by Claim Holders Accepting the Plan

The Plan also provides for an "**Accepting Holders Release.**" The Accepting Holders Release would be granted by individual creditors by their accepting the Plan. This means that if you individually vote to accept the Plan, you will be personally releasing the City and its related entities, the State and its related entities, the Retiree Committee, the members of the Retiree Committee, the Retiree Committee professionals, the foundations and other organizations who are providing Outside Funding and their related entities **except for** such parties' gross negligence or willful misconduct.

In other words, if you vote to accept the Plan, you will not be allowed to sue the State, the City or any State entities to restore OPEB benefit modifications.

For the avoidance of doubt, the Plan does not release, waive or discharge obligations of the City that are established in the Plan or that arise from and after the effective date of the Plan with respect to (i) pensions as modified by the Plan or (ii) labor-related obligations.

8. PLAN INJUNCTIONS AND RELEASES

The Plan provides for the following injunctive relief and releases:

a. Plan Section III.D.5

 1. commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind against or affecting the City or its property (including (A) all suits, actions and proceedings that are pending as of the Effective Date, which must be withdrawn or dismissed with prejudice, (B) Indirect 36th District Court Claims, and (C) Indirect Employee Indemnity Claims);

2. enforcing, levying, attaching, collecting or otherwise recovering by any manner or means, directly or indirectly, any judgment, award, decree or order against the City or its property;

 4. asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any obligation due the City or its property;
 5. proceeding in any manner in any place whatsoever that does not conform to or comply with the provisions of the Plan or the settlements set forth herein to the extent such settlements have been approved by the Bankruptcy Court in connection with Confirmation of the Plan; and
 6. taking any actions to interfere with the implementation or consummation of the Plan.
- b. All Entities that have held, currently hold or may hold any Liabilities released pursuant to the Plan will be permanently enjoined from taking any of the following actions against the State, the State Related Entities, the officers, board of trustees/directors, attorneys, advisors and professionals of the RDPFFA or the DRCEA, and the Released Parties or any of their respective property on account of such released Liabilities: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind; (ii) enforcing, levying, attaching, collecting or otherwise recovering by any manner or means, directly or indirectly, any judgment, award, decree or order; (iii) creating, perfecting or otherwise enforcing in any manner, directly or indirectly, any lien; (iv) asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any obligation due the State, a State Related Entity, the officers, board of trustees/directors,

attorneys, advisors and professionals of the RDPFFA or the DRCEA, or a Released Party; and (v) commencing or continuing any action, in any manner, in any place that does not comply with or is inconsistent with the provisions of the Plan.

b. Plan Section III.D.7

Section III.D.7 of the Plan provides:

Without limiting any other applicable provisions of, or releases contained in, the Plan or any contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan, as of the Effective Date, in consideration for the obligations of the City under the Plan and the consideration and other contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan (including the State Contribution Agreement):

- a. each holder of a Claim that votes in favor of the Plan, to the fullest extent permissible under law, will be deemed to forever release, waive and discharge all Liabilities in any way relating to the City, the Chapter 9 Case, including the authorization given to file the Chapter 9 Case, the Plan, the Exhibits or the Disclosure Statement that such entity has, had or may have against the City, its Related Entities, the State, the State Related Entities and the Released Parties (which release will be in addition to the discharge of Claims provided herein and under the Confirmation Order and the Bankruptcy Code), provided, however, that the foregoing provisions shall not affect the liability of the City, its Related Entities and the Released Parties that otherwise would result from any act or omission to the extent that act or omission subsequently is determined in a Final Order to have constituted gross negligence or willful misconduct; provided further that this Section III.D.7.a shall not apply to any Exculpated Party; and provided further, however, that if Classes 10 and 11 vote to accept the Plan, but any necessary conditions precedent to the receipt of the initial funding from the State (pursuant to the State Contribution

Agreement) and the DIA Funding Parties (pursuant to the DIA Settlement) that can be satisfied or waived by the applicable funding party prior to the Confirmation Hearing (including, but not limited to, adoption of relevant legislation and appropriations by the State and execution of necessary and irrevocable agreements for their funding commitments by each of the DIA Funding Parties, which conditions may not be waived) are not satisfied or waived by the applicable funding party prior to the Confirmation Hearing, then Holders of Claims in Classes 10 and 11 that voted to accept the Plan shall be deemed to have voted to reject the Plan, and the voluntary release set forth in the first sentence of this Section III.D.7.a shall not apply to Holders of Claims in Classes 10 and 11; and

- b. if the State Contribution Agreement is consummated, each holder of a Pension Claim will be deemed to forever release, waive and discharge all Liabilities arising from or related to the City, the Chapter 9 Case, including the authorization given to file the Chapter 9 Case, the Plan, all Exhibits, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, Section 24 of the Michigan Constitution that such party has, had or may have against the State and any State Related Entities. For the avoidance of doubt, the Plan does not release, waive or discharge obligations of the City that are established in the Plan or that arise from and after the Effective Date with respect to (i) pensions as modified by the Plan or (ii) labor-related obligations. Such post-Effective Date obligations shall be enforceable against the City or its representatives by active or retired employees and/or their collective bargaining representatives to the extent permitted by applicable non-bankruptcy law and/or the Plan.

ATTORNEYS FOR THE CITY

PROPOSED RULES FOR TABULATION OF PENSION/OPEB BALLOTS

- I. The following procedures (the "Claim Estimation Procedures")¹ shall be used for estimating the value of Pension Claims and OPEB Claims for purposes of voting:
- a. For Pension Claims, the three actuarial firms involved in this case — Milliman, Inc. ("Milliman") for the City; Gabriel, Roeder, Smith & Company ("Gabriel Roeder") for the Retirement Systems; and The Segal Company ("Segal") for the Retiree Committee — have completed independent valuations of the two Retirement Systems' assets and liabilities for the fiscal year ended June 30, 2013, using census data provided by the Retirement Systems. Those valuations will be the basis for the estimations of each Pension Claimant's claim solely for voting purposes.
 - b. Class 10 – Detroit Police & Fire Retirement System
 - (i) The Retirement Systems will prepare and provide to all actuaries four Microsoft Excel spreadsheets identifying: (A) PFRS active employees and former employees that have earned a pension but have not yet retired; (B) PFRS current retirees and surviving spouses; (C) GRS active employees and former employees that have earned a pension but have not yet retired; and (D) GRS current retirees and surviving spouses (the "Four Pension Categories").
 - (ii) For purposes of providing an estimated claim for voting purposes for PFRS claimants, Segal will prepare individual claim calculations for current retirees based on its valuation of the current retiree PFRS Unfunded Actuarial Accrued Liability ("UAAL"). Milliman will prepare individual claim calculations for active employees and former employees who have earned a pension but have not yet retired based on its valuation of the PFRS UAAL and utilizing a formula that takes into account age, years of service and a unit factor to be based on the non-retiree UAAL.
 - c. Class 11 – Detroit General Retirement System
 - (i) The Retirement Systems will prepare and provide to all actuaries four Microsoft Excel spreadsheets identifying the Four Pension Categories.
 - (ii) For purposes of providing an estimated claim for voting purposes for GRS claimants, Segal will prepare individual claim calculations for current retirees based on its valuation of the current retiree GRS UAAL.

¹ Capitalized terms not otherwise defined herein shall have the meaning given to them in the *Corrected Motion of the City of Detroit for Entry of an Order Establishing Supplemental Procedures for Solicitation and Tabulation of Votes to Accept or Reject Plan of Adjustment with Respect to Holders of Pension and OPEB Claims*.

Milliman will prepare individual claim calculations for active employees and former employees who have earned a pension but have not yet retired based on its valuation of the GRS UAAL and utilizing a formula that takes into account age, years of service and a unit factor to be based on the non-retiree UAAL.

- (iii) Solely with respect to Class 11 Pension Claimants who, between July 1, 2003 and June 30, 2013, received interest credits in their ASF accounts, pursuant to Section II.B.3.r.ii.D of the Plan, the City will recalculate the value of any such claimant's ASF account using the actual investment returns to determine that claimant's "Annuity Savings Fund Excess Amount." The Annuity Savings Fund Excess Amount will be deducted from the claimant's ASF account, unless the claimant has already received a total or partial distribution from ASF, in which case the City may convert that portion of the claimant's Annuity Savings Fund Excess Amount that could not be recovered from the ASF account into an annual amount (the "Annual Deduction") based on the claimant's life expectancy and other factors. The Annual Deduction will then be deducted from the claimant's annual pension amount each year going forward.

d. Class 12 – OPEB Claims

- (i) Utilizing the data available for holders of OPEB Claims as of the Pension/OPEB Record Date as provided to Milliman by the Retirement Systems, and for purposes of establishing individual claim amounts for voting purposes only, Milliman will estimate for each current retiree or such retiree's surviving beneficiaries who were enrolled in or eligible for retiree health insurance as of March 1, 2014, the present value for the City to continue the health coverage that was in effect (or available) for such person immediately prior to March 1, 2014, assuming that such coverage would continue for the remainder of such retiree's or survivor's expected life. The present value of such coverage also shall include the value to provide dependent health insurance coverage to such retiree's dependents until such dependents reach age 26.

- II. Unless otherwise provided in the Pension/OPEB Tabulation Rules, and regardless of any proofs of claim that have been, or may be, filed by or on behalf of a Pension or OPEB Claimant, a Pension or OPEB Claim will be deemed temporarily allowed for voting purposes in the amount calculated pursuant to the Claim Estimation Procedures.
- III. If a party submits a Ballot (a) that does not correspond to an identifiable Pension or OPEB Claimant as of the Pension/OPEB Record Date or (b) that corresponds to a Pension Claim or OPEB Claim that has been disallowed, waived or withdrawn, then such Ballot will not be counted unless otherwise ordered by the Court.
- IV. Any Ballot that does not indicate either an acceptance or rejection of the Plan, or indicates both an acceptance and a rejection of the Plan, will not be counted.

- V. Any Ballot that is not executed shall not be counted.
- VI. If a Pension Claimant casts more than one Ballot voting the same Pension Claim, or an OPEB Claimant casts more than one Ballot voting the same OPEB Claim, the latest-dated properly executed Ballot received before the Voting Deadline will supersede any other previously-received Ballots.
- VII. Any Pension or OPEB Claimant with more than one claim in a particular Class (e.g., a surviving spouse who is receiving a survivor's pension from the City, but who also worked for and is retired from the City and receives his or her own separate City pension) must vote all such claims in that Class either to accept the Plan or to reject the Plan. If any such Pension or OPEB Claimant casts a Ballot or Ballots purporting to split its vote with respect to claims in the same Class, the Ballot or Ballots will not be counted.
- VIII. Any Pension Claimant or OPEB Claimant with claims in more than one Class must submit a separate Ballot for each class. If a Pension Claimant or OPEB Claimant uses a single Ballot to vote claims in more than one Class, that Ballot will not be counted. Thus, a retiree who receives both a pension and retiree health insurance benefits from the City must submit a separate Ballot for his or her Pension Claim and OPEB Claim.
- IX. Ballots delivered by email, fax or any other electronic method will not be counted.
- X. To the extent the City determines that a Class 10, 11 or 12 Ballot shall not be counted pursuant to section III, IV, V, VII, VIII or IX above, the City shall confer with the Retiree Committee in good faith to attempt to resolve any deficiencies in such Ballot. If any such deficiencies are not resolved by the date that is 5 days prior to the deadline for filing the Pension/OPEB Ballot Tabulation Summary, then such Ballot shall not be counted.
- XI. The Balloting Agent shall date-stamp (and if necessary, time-stamp) all Ballots when received. The Balloting Agent shall retain all original Ballots and an electronic copy of each for a period of one year after the effective date of the Plan, unless otherwise ordered by the Court.
- XII. The Balloting Agent shall prepare a summary of the results of the tabulation of all Ballots cast by or on behalf of Pension and OPEB Claimants (the "Pension/OPEB Ballot Tabulation Summary"), which will include a certification of votes by the Balloting Agent, and which will identify, among other things, Ballots that were withdrawn and votes that were changed as a result of a superseding Ballot. The Pension/OPEB Ballot Tabulation Summary shall be (a) filed with the Court on or before July 21, 2014 and (b) may be part of the ballot tabulation summary described in the Primary Solicitation Procedures (as approved by the Primary Solicitation Procedures Order). No personally-identifying information for any Pension or OPEB Claimant will be included in the Pension/OPEB Ballot Tabulation Summary.
- XIII. The City may waive any defects or irregularities as to any Ballot either before or after the Voting Deadline, and any such waivers shall be documented only in the Pension/OPEB Ballot Tabulation Summary.

April 29, 2014

Dear City of Detroit Police and Fire Fighter Retirees:

The Retired Detroit Police and Fire Fighters Association ("RDPFFA") is writing to you in connection with the Plan of Adjustment as amended and filed by the City of Detroit on April 26, 2014 (the Plan). The Board of Directors of the RDPFFA unanimously recommends that you vote in favor of the Plan on the ballots that you are receiving along with this letter.

This recommendation comes after the RDPFFA took a leadership role in negotiations with the City regarding pension and other post-employment benefit (primarily health care) ("OPEB") treatment of the claims of police and fire fighter retirees. Specifically, those long and hard-fought negotiations resulted in the RDPFFA Board of Directors voting to unanimously approve an agreement in principal with the City on April 15, 2014. On April 25, 2014 the material terms of that agreement were incorporated into an executed Term Sheet. Those terms have now been included in the Plan.

Under the current financial conditions of the City of Detroit and with the limited revenue income streams that are currently available to the City, the results contained within the executed Term Sheet are the best protection of our pension and other benefits that could be obtained. The treatment of police and fire fighter retirees has improved significantly since the onset of the bankruptcy and is materially better if classes 10 and 11 approve the Plan.

Sincerely,

Donald Taylor

President RDPFFA

And on behalf of the Board of Directors

8. PLAN INJUNCTIONS AND RELEASES

The Plan provides for the following injunctive relief and releases:

a. Plan Section III.D.5

Section III.D.5 of the Plan provides:

 1. commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind against or affecting the City or its property (including (A) all suits, actions and proceedings that are pending as of the Effective Date, which must be withdrawn or dismissed with prejudice, (B) Indirect 36th District Court Claims, and (C) Indirect Employee Indemnity Claims);

 4. asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any obligation due the City or its property;
 5. proceeding in any manner in any place whatsoever that does not conform to or comply with the provisions of the Plan or the settlements set forth herein to the extent such settlements have been approved by the Bankruptcy Court in connection with Confirmation of the Plan; and
 6. taking any actions to interfere with the implementation or consummation of the Plan.
- b. All Entities that have held, currently hold or may hold any Liabilities released pursuant to the Plan will be permanently enjoined from taking any of the following actions against the State, the State Related Entities, the officers, board of trustees/directors, attorneys, advisors and professionals of the RDPFFA or the DRCEA, and the Released Parties or any of their respective property on account of such released Liabilities: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind; (ii) enforcing, levying, attaching, collecting or otherwise recovering by any manner or means, directly or indirectly, any judgment, award, decree or order; (iii) creating, perfecting or otherwise enforcing in any manner, directly or indirectly, any lien; (iv) asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any obligation due the State, a State Related Entity, the officers, board of trustees/directors,

b. Plan Section III.D.7

Section III.D.7 of the Plan provides:

Without limiting any other applicable provisions of, or releases contained in, the Plan or any contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan, as of the Effective Date, in consideration for the obligations of the City under the Plan and the consideration and other contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan (including the State Contribution Agreement):

- a. each holder of a Claim that votes in favor of the Plan, to the fullest extent permissible under law, will be deemed to forever release, waive and discharge all Liabilities in any way relating to the City, the Chapter 9 Case, including the authorization given to file the Chapter 9 Case, the Plan, the Exhibits or the Disclosure Statement that such entity has, had or may have against the City, its Related Entities, the State, the State Related Entities and the Released Parties (which release will be in addition to the discharge of Claims provided herein and under the Confirmation Order and the Bankruptcy Code), provided, however, that the foregoing provisions shall not affect the liability of the City, its Related Entities and the Released Parties that otherwise would result from any act or omission to the extent that act or omission subsequently is determined in a Final Order to have constituted gross negligence or willful misconduct; provided further that this Section III.D.7.a shall not apply to any Exculpated Party; and provided further, however, that if Classes 10 and 11 vote to accept the Plan, but any necessary conditions precedent to the receipt of the initial funding from the State (pursuant to the State Contribution

Agreement) and the DIA Funding Parties (pursuant to the DIA Settlement) that can be satisfied or waived by the applicable funding party prior to the Confirmation Hearing (including, but not limited to, adoption of relevant legislation and appropriations by the State and execution of necessary and irrevocable agreements for their funding commitments by each of the DIA Funding Parties, which conditions may not be waived) are not satisfied or waived by the applicable funding party prior to the Confirmation Hearing, then Holders of Claims in Classes 10 and 11 that voted to accept the Plan shall be deemed to have voted to reject the Plan, and the voluntary release set forth in the first sentence of this Section III.D.7.a shall not apply to Holders of Claims in Classes 10 and 11; and

- b. if the State Contribution Agreement is consummated, each holder of a Pension Claim will be deemed to forever release, waive and discharge all Liabilities arising from or related to the City, the Chapter 9 Case, including the authorization given to file the Chapter 9 Case, the Plan, all Exhibits, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, Section 24 of the Michigan Constitution that such party has, had or may have against the State and any State Related Entities. For the avoidance of doubt, the Plan does not release, waive or discharge obligations of the City that are established in the Plan or that arise from and after the Effective Date with respect to (i) pensions as modified by the Plan or (ii) labor-related obligations. Such post-Effective Date obligations shall be enforceable against the City or its representatives by active or retired employees and/or their collective bargaining representatives to the extent permitted by applicable non-bankruptcy law and/or the Plan.
